

# James R. Speiser, DVM, DABVP, CCRT

## James R. Speiser, DVM, DABVP, CCRT

Dr. Speiser received his Doctorate of Veterinary Medicine from the University of Illinois in 1977.

He then participated in a 14 month internship at South Shore Veterinary Associates in Boston prior to opening a general veterinary practice in Fishers in 1979.

Dr. Speiser continued to study and grow in the veterinary field by taking and passing the American Board of Veterinary Practitioners certifying examination in 1983 designating him as a specialist in Canine & Feline Practice, and recertifying in 1992, 2002 and 2012.

He opened Indianapolis Veterinary Referral in 1989 and Indianapolis Veterinary Emergency Center in 1994, offering emergency and critical care and specialized referral care to central Indiana. In 2007 he became certified by the Nuclear Regulatory Commission in I-131 radiation therapy for hyperthyroid cats. He received his certification in Rehabilitation Therapy in 2009. Dr. Speiser is knowledgeable in orthopedic surgery and neurosurgery, as well as being competent in ultrasound, endoscopy and CT Scan diagnostics.

# Our Philosophy

## Mission Statement

Our goal is to make each client's experience as pleasant, comfortable, and successful as possible by providing unsurpassed service, and by delivering a practical and collaborative approach to patient care to exceed expectations. We are dedicated and focused on uniquely serving the individual needs of each patient, client, and partnering veterinarian.

## Primary Value

The needs of the patient come first.

## Integrity

We shall adhere to the highest standards of professionalism, ethics, and personal responsibility characterized by being truthful, forthright, and capable.

## Respect

We shall grant all patients, clients, and colleagues' courtesy and dignity.

## Innovation

By encouraging and developing the creative ideas and unique talents of each employee, the organization will be infused with enthusiasm and innovation.

## Teamwork

The greatest success will be created by blending the knowledge and skills of each staff member and professional colleague in unselfish and genuine collaboration.

## Service

Service is defined by whatever is needed to aid, assist, or comfort our patients, their families, and referring veterinarians.

## Compassion

We shall provide the best care possible within the financial means of the client, and treat each client with kindness, sensitivity, and empathy.

## Excellence

Excellence is defined by delivering the highest quality care and achieving the best outcomes through the responsible and dedicated effort of each team member.
