

## Important Notice Keeping You & Your Pet Safe

Emergency & Specialty Hospital  
Where care comes first.

## COVID-19 PROCEDURES

### **MASKS ARE REQUIRED**

We require masks inside our building.

### **SOCIAL DISTANCING**

Our team practices social distancing whenever possible.

### **TEMPERATURE CHECKS**

Our staff members receive temperature checks before each shift.

### **SANITATION**

We have doubled up on our sanitation practices to ensure our hospital is safe for both patients and clients.

### **CURBSIDE SERVICE**

We offer curbside service for clients who feel more comfortable waiting in their cars.

### **PHONE CHECK INS**

Our doctors and technicians will talk to you over the phone whenever possible to limit in-person contact.
