Where care comes first.

IndyVet Oncology

Our Oncology department helps families navigate a diagnosis of pet cancer.

Guiding You To A Better Quality *Life*

Patient Centered Care: Your pet's quality of life is the most important factor in choosing the best course of treatment. The IndyVet oncology staff helps guide families through each step of the journey, from diagnosis through treatment. Therapeutic options and expected responses are considered in the formulation of the best individualized treatment plan.

The IndyVet Oncology Team Specializes in:

- Diagnostic Procedures
- Chemotherapy
- Targeted Therapy
- Immunotherapy
- Palliative and Supportive Care
