Our Commitment To Emergency Care

Upon arrival, each patient's history is reviewed by a doctor prior to performing a detailed examination. Each ER doctor can immediately collaborate with any of the other specialists, in order to provide the best care possible within the financial means of the client. Each client is treated with kindness, sensitivity & empathy. We understand that this can be an anxious time for clients & we aim to make each visit comfortable & efficient.

IndyVet is an American Animal Hospital Association accredited hospital. AAHA is the only organization that inspects & accredits veterinary practices in North America.
