

ABOUT US

Emergencies aren't scheduled, which is why we are open 24 hours a day, 7 days a week, 365 days a year. Our dedicated staff of doctors and nurses work around-the-clock to provide whatever is needed to aid, assist, or comfort our patients, their families, and referring veterinarians. Our practice focuses solely on emergency and specialty care, leaving general wellness veterinary care to our colleagues.

Emergency & Specialty Hospital
Where care comes first.
